

# INTRODUCTION TO ZOOM

Connect with others for business or personal use with the popular video conferencing software, Zoom. Download the software and create an account. Join a meeting and use basic features including microphone, camera, and video background. Gain comfort in troubleshooting and learn to create and host your own meetings.

**Wednesday, March 29**

**2:00 pm – 4:00 pm**

**213 Grant Ave Millvale PA 15209.**
